10th October 2016

Dear Parents/Carers

In order to allow children additional time (particularly over the weekend) to complete their homework, please note the Year 3 revised homework arrangements outlined below:

Please complete **either** a piece of English or a piece of Maths homework each week as chosen from the homework sheets provided at the start of the academic year. **Homework** should be handed in on **Monday** morning. The Year 3 team will endeavour to mark this work as soon as possible during the week and homework books will then be returned to your child.

Reading books will continue to be changed on a **Tuesday** and **Friday** so please ensure that your child brings their book and signed reading record on these days. Children who read frequently at home will be given two books. In addition, to keep you informed, your child's weekly spelling test score will be written in their spelling booklet each week. Please ensure that this booklet is included in their reading folder to enable staff to share this information with you.

May we also take this opportunity to thank you for the additional topic homework that you have been completing with your children at home. We have already received some outstanding pieces and we appreciate the amount of time and effort being spent at home on these fantastic projects.

Should you have any further questions please do not hesitate to speak to a member of the team.

Year 3 Team
