Equality Duty

We welcome our duties under the Equality Act 2010 to eliminate discrimination, advance equality of opportunity and foster good relations in relation to race, disability, sex (gender), age, religion or belief, sexual orientation, pregnancy, maternity and gender reassignment.

Within the overall framework of the School Development Plan, we formulate specific and measurable equality objectives. These are kept under review and progress reported on annually.

2014 - 2015 Objectives

- Further develop strategies to identify vulnerable learners and understand their needs, targeting provision to meet these.
- Further develop strategies to ensure the progress of disadvantaged pupils is in line with the progress of all pupils.
- To provide more stimulating, exciting and inspiring text to engage boys and significantly improve the quality of their writing so that they match the performance of boys nationally.
- To provide more challenging maths work for higher ability girls across school so that they match the performance of girls nationally.
